Nuestra etiqueta BASIC identifica todas aquellas prendas de continuidad, para nosotros y nuestros clientes forman parte de los básicos atemporales siendo también top ventas de la colección.

Our BASIC label identifies all those continuity garments, for us and our customers are part of the timeless basics being also top sales collection.

En la colección se pueden identificar fácilmente las prendas sostenibles con su etiqueta "SUSTAINABLE GARMENT", va colgada junto la etiqueta de cartón.

A continuación se puede consultar cada uno de los certificados y sellos, los cuales están indicados también al lado de cada modelo dibujado en el workbook.

In the collection you can easily identify sustainable garments with their label "SUSTAINABLE GARMENT", goes hanging next to the cardboard label.

Below you can consult each of the certificates and stamps, which are also indicated next to each picture drawing in the workbook.

CERTIFICADOS Y SELLOS DE SOSTENIBILIDAD EN NUESTRA COLECCIÓN CERTIFICATES AND SUSTAINABILITY STAMPS IN OUR COLLECTION

GOTS

Productos textiles de origen orgánico, que certifica la sostenibilidad de las prendas y accesorios en toda su cadena de producción.
Textiles of organic origin that certifies the sustainability of garments and accessories throughout its production chain.

OEKO TEX STANDARD 100

Verifica que no haya sustancias nocivas en los productos textiles.
Checks for harmful substances in textiles.

BCI

Algodón sostenible que nos garantiza su cultivo y trazabilidad, así como unas condiciones responsables respecto al medio ambiente y los derechos de los trabajadores.
Sustainable cotton that guarantees its cultivation and traceability, as well as responsible conditions for the environment and workers' rights.

GLOBAL RECYCLED STANDARD

Certificación por parte de terceros del contenido reciclado, la cadena de custodia, las prácticas sociales y medioambientales y las restricciones químicas.
Third-party certification of recycled content, chain of custody, social and environmental practices and chemical restrictions.

SEDEX

Empresas comprometidas en crear negocios y cadenas de suministro más sostenibles social y ambientalmente.
Companies committed to creating businesses and supply chains more socially and environmentally sustainable.

FSC

Materia prima de origen forestal, utilizada por la industria que procede de bosques gestionados de acuerdo a criterios de sostenibilidad.
Raw material of forest origin used by the industry that comes from forests managed according to sustainability criteria.

ECOVERO

Todas las fibras certificadas por EcoVero se producen a través de fuentes de madera certificadas y controladas.
All Eco Vero certified fibers are produced through certified and controlled wood sources.

GROW GREEN

Tiene como objetivo crear ciudades resilientes al clima y al agua, basadas en soluciones medioambientales y restricciones químicas.
It aims to create climate and water resilient cities based on environmental solutions and chemical restrictions.
