L'ART DU CACHEMIRE

Fibre d'exception par excellence, le cachemire que nous sélectionnons est composé de fibres longues, reconnues pour leur douceur, leur résistance et leur tenue dans le temps. Naturellement thermorégulateur, il donne naissance à des pièces au confort enveloppant, à la légèreté raffinée et à la qualité durable.

An exceptional fibre by nature, the cashmere we select is made from long fibres, known for their softness, strength, and long-lasting quality. Naturally temperature-regulating, it creates pieces that offer enveloping comfort, refined lightness, and lasting durability.
